**Design Consultants:** Creative experts who provide innovative and practical design solutions tailored to client needs.

## CORE SERVICES

### CEILINGS

We provide a wide array of ceiling solutions, including the installation and repair of suspended ceilings, acoustic ceilings, and metal ceilings. Each option is designed to improve the acoustics, lighting, and overall aesthetics of your space. Whether it's a commercial office, retail environment, or residential property, our ceiling solutions combine functionality with style to enhance your environment.

### TILING

Our tiling services are tailored to deliver exceptional results for both floors and walls. We specialise in creating durable, elegant, and visually appealing finishes for residential, commercial, and industrial spaces. From intricate designs to robust installations, our team ensures every tiling project meets the highest standards of quality and craftsmanship.

### PARTITIONING

We specialise in the design and installation of drywall partitioning, offering a flexible and cost-effective way to create functional spaces within open areas. Our solutions are tailored to your specific requirements, making them ideal for offices, retail spaces, and residential environments. With a focus on durability and aesthetics, our partitioning provides seamless integration with existing structures.

## OCCUPATIONAL HEALTH AND SAFETY

DND Building is dedicated to maintaining the highest standards of occupational health and safety across all projects. We prioritise the well-being of our team, subcontractors, and all those involved in the construction process, ensuring a safe and secure working environment at all times.

Our approach to occupational health and safety aligns with industry regulations and best practices. We conduct regular safety training and implement robust safety protocols, from hazard assessments to the use of protective equipment, ensuring that risks are effectively managed.

We also take proactive steps to safeguard the environment by promoting sustainable practices, such as the responsible sourcing of materials and waste reduction, all while ensuring that our safety measures are not compromised. Our commitment to both health and safety, and environmental responsibility, enables us to deliver high-quality projects while safeguarding the well-being of all involved.

## ENVIRONMENTAL SAFETY

We are committed to promoting environmentally friendly materials wherever possible and adhering to industry-standard policies and procedures. By prioritising sustainable construction methods and waste reduction strategies, we aim to minimise our environmental footprint while maintaining the quality and efficiency of our projects.

## COMMUNITY INVOLVEMENT AND SOCIAL DEVELOPMENT

We believe in building more than just structures—we build stronger communities. We are committed to uplifting local communities by creating meaningful job opportunities, supporting small businesses, and partnering with community-driven projects. Our approach extends beyond business, focusing on fostering sustainable growth, promoting economic empowerment, and ensuring that the communities we serve benefit from every project we undertake. We actively engage with local suppliers and subcontractors, ensuring that our projects contribute to the development of the surrounding economy.

## SKILLS DEVELOPMENT

Empowering people is at the heart of what we do. We actively invest in upskilling our workforce, providing comprehensive training programs and workshops to ensure our team remains at the forefront of industry standards and innovation. From technical skills to leadership development, we equip our employees and subcontractors with the tools they need to excel. Our commitment to continuous learning not only enhances project outcomes but also promotes career growth and long-term success within the construction industry.

## PROJECTS

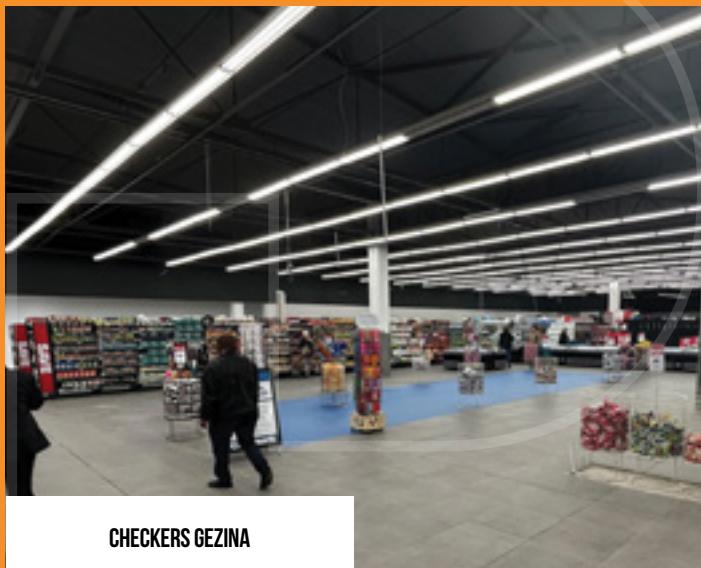

DND Building (Pty) Ltd has successfully delivered a wide range of projects, showcasing our expertise in ceilings, tiling, and partitioning. From commercial developments and retail fit-outs to residential renovations and tenant installations, our portfolio highlights our commitment to quality, precision, and client satisfaction across various sectors.
